Dear Richard,

I am writing on behalf of all of us at Centrepoin Outreach to thank Boston Big Local for the grant of £1,500 received from the Community Chest Funding Scheme.

I confirm that the money has been used as set out in our application, to part fund the replacement of the two old boilers serving our charity shop, offices and stores and the installation of new radiators in the shop to replace ineffective fan convector heaters.

Having turned the heating on for the first time today, I can confirm that the new boilers and radiators work perfectly and will not only provide a better working environment for our staff and volunteers, particularly during the winter months, but will also make visiting our charity shop a more pleasant experience.

Thank you once again for your support which is greatly appreciated.

Yours sincerely,

Elizabeth Hopkins
