

Dear BBL

Thank you for your continued support of Memory Lane.

Here is our report for the Quarter October, November and December 2019.

**Merry Christmas and A Happy New Year to all at BBL.**

**Wednesday 9<sup>th</sup> October 2019**

Today's session, led by Liz, was glazing our previously made and fired clay pieces. Each piece requiring three coats. With a full room, there was plenty of chatting, singing and laughter between coats.

Andy never misses a good photo-bomb opportunity! 😊

Margaret can't quite believe that she produced these stunning pieces. Believe Margaret, you did a great job.

Simon and Sheila hard at work. Great mum and son time 😊

### Wednesday 23<sup>rd</sup> October 2019

Today's session was the final session being delivered by Liz for us this year. It was time to reflect on all of the brilliant opportunities provided to us to try new crafts and to create some really stunning pieces. All of which will be treasured for years to come. We finished glazing our pots and now await a second firing and Liz returning with the finished articles.

### Wednesday 13<sup>th</sup> November 2019

Today's session was led by Sarah and was supported by Frank and Phyl who had arrived ready for the session ahead. **This week...QUILTING** was thought through and planned by Sarah and she was ready to rock and roll!

*Frank and Phyl working hard on their designs!*

Everyone was busy creating their quilting designs. They were confident with their designs after the great brief from Sarah beforehand.

Frank wanted to wow the group with his beautiful colouring piece.

Jackie and Dave getting stuck in with their quilling, making sure it is perfect!

Andy thinking of new jokes to tell the group!!

Dave chose a different activity. We like to ensure everyone has choices. Here is Dave's beautiful, finished piece of art! He took so much time and effort to create this. Dave was extremely proud, which he should be.

**Wednesday 27<sup>th</sup> November 2019**

Today's session was led by Kai and was also supported by Sarah and Debbie. Kai chose glass painting for this session. Something we've done before and was hugely popular. Everybody arrived promptly and was eager to start!

Everyone enjoying their tea and biscuits before they start crafting!

TOP TIP: it's best if ideas are sketched first before any paint is on the glass! Kai informed the group that they can take their time to plan their idea's in order to create a fine masterpiece!

**AND THEY'RE OFF!**

Everybody was taking their time thinking carefully about what they wanted to paint on their glass

This was the beginning stages of Ros's beautiful creation. The simplest designs are sometimes the most effective and eye-catching!

Sarah and Bryan used a normal cup but transformed it into a cleverly thought-out piece of art.

**WELL DONE!**

This session was led by Sarah and this was our final craft group before...CHRISTMAS! This was a brilliant end to such a creative and fun year of crafting! Sarah worked hard to prepare and plan this session, ensuring that she accommodated everyone that came to the group. This session we were creating Christmas trees from Delustress cones!

Teas drunk, everybody was ready!

Jackie and Dave paused to take this stunning photograph!

*ROS WAS EVEN USING TINSEL!*

Ros worked extremely hard on this Christmas tree and she was chuffed with the finished product!

It was a great effort by everyone who attended!

Frank and Tom's creative minds came up with this brilliant idea – Mince Pie Christmas tree!!
