BOSTON – THE STORY IN STITCH

REPORT FOR BOSTON BIG LOCAL December 2021 3rd Quarter

Code 1.1.1.

1. Work undertaken since our last report on 30th September 2021 :-

Our website is up and running and is proving to be very popular, please visit

www.thebostonstitchers.com

The project has moved on a great deal and the design and format for presentation has been translated into areas of work. All members are involved.

Responding to requests we now manage and facilitate two groups, meeting at Bicker Village Hall – The Boston Stitchers and Boston Stitchers Too. Boston Stitchers meet on the 4th Friday morning of each month, with Boston Stitchers Too meeting on the Thursday evening before the Friday meeting. This ensures those people who work during the day or have caring commitments, can join us. We have met face to face since September and have had excellent attendance at both sessions. We have observed strict Covid Guidelines and all members have been extremely happy to be back.

2. Community involvement.

We have been able to expand this greatly through Facebook, Boston More in Common and by direct contact over the phone. We also now have a very colourful and inviting website. Our Open Morning at The Len Medlock Centre on Friday 19th November was most successful. It gave everybody the opportunity to view the planning and work that has been undertaken. It also ensured that everyone understood how the project will be displayed and accessed. We had many extremely positive comments on the amount of thought and preparation that had gone into the project.

We have booked dates with The Len Medlock Centre for February, April, May and July this year, so all those interested in the project can drop in to see the progress we are making and join in with the work if they so wish.

3. Next Steps

Sessions at The Len Medlock Centre are arranged. We are hoping that the first book will be finished by this Summer 2022.

We are hoping we can host a “Big Reveal”, possibly in July. The venue will need to be large and airy and we will be liaising and taking advice on where best to do this.

B for Boston.

Below- just one example of the bees featuring across the pages of the first book.
