## Poster in Pescod Square

Raising awareness of our support and service to those in the BBL area we have a poster in Pescod Square next to Costa Coffee.

## Met with Police Community Support Officer (PCSO) in Boston

Following Boston Branch's attendance at the Mental Health Implementation Board meeting, we met with a PCSO from Boston Police station to discuss how we could support them and the people of Boston.

The outcome of the meeting is for us to provide two 'How to offer emotional support to others' training sessions to PCSOs and Framework employees who support some of the most vulnerable and in need in Boston.

## Window Stickers

At our Annual Branch Meeting in November, we had a sheet of paper asking for ideas and views from Branch members. One of the suggestions was for us to have window stickers that can promote our service, raise our profile and help with our fundraising.

These stickers were installed just before Christmas and look fantastic!

## New Samaritans

Throughout November we trained 5 New Samaritans who are now on the phones and supporting callers through difficult times. The new room you are helping fund made the process of mentoring the New Samaritans so much easier, and in these uncertain times, much safer too.

## THANK YOU!

Everyone involved at Samaritans of Boston, Lincolnshire would like to share their appreciation with BBL for your ongoing support in helping us both raise our profile and to continue to deliver our service to those in need of emotional support.
