BOSTON – THE STORY IN STITCH

REPORT FOR BOSTON BIG LOCAL DECEMBER 2022 3rd Quarter

Code 1.1.1.

1. Work undertaken since our last report on 30th September 2022 :-

Please visit our website www.thebostonstitchers.com

Our first Book is finished and secured into its display box and stand.

We launched our Book during the Festival of Creation in Boston Stump in July of this year.

We then took part in the Lincolnshire Heritage Crafts day, at The Stump on 5th November.

Again, we had so many positive comments on all of the work we displayed there, but in particular our “Boston, The Story in Stitch” book.

We have also gained more members, specifically from this event.

Responding to requests we continue to manage and facilitate two groups, meeting at Bicker Village Hall – The Boston Stitchers and Boston Stitchers Too. Boston Stitchers meet on the 4th Friday morning of each month, with Boston Stitchers Too meeting on the Thursday evening before the Friday meeting. This ensures those people who work during the day or have caring commitments, can join us.

2. Community involvement,

We have been able to expand this greatly through Facebook, Boston More in Common and by direct contact over the phone. We also now have a very

colourful and inviting website. Everyone taking part has been recorded and will be recognized in the credits.

NEXT STEPS

Work for subsequent books is well underway.

Another “Bee Border” nearing completion.

Stitched “pages” ready to be dyed and embellished.

We plan to continue this project well into the future.
We are also happy to take the first Book and subsequent books, along to any group or organisation wanting to view them. We will keep all this information up to date on our website.
