

# Samaritans Quarterly Report for Boston Big Local – January 2023

## Xmas Market Stall

On the 24<sup>th</sup> November Boston Samaritans held an awareness raising stall at the Boston Xmas Market.

We spoke to many people, sold Boston Monopoly Boards, Trump Cards along with hats and scarves that had been knitted and donated by family and friends of our branch. From the objects sold and the generous donations from the public the stall raised £265!

## Pack for Boston High School Wellbeing Room

Boston High School put a shout out to Mental Health Groups to supply materials for their new Well Being Room.

With many of the girls at the school coming from the BBL area we chose to give posters, pencils, mugs, bookmarks, leaflets, a book and more.

## Poster in Pescod Square

We have renewed our posters in Pescod Square for another year because their location is great at raising the profile of our service.

## Training New Samaritans

Throughout October our training team trained 5 New Samaritans ready to support our callers. Then from November to the end of December our mentors helped our New Samaritans as they took their first calls.

In the local community, the publicity and activity during our 50th anniversary year has generated an interest which we hope to nurture during 2023.

## THANK YOU!

From everyone at Samaritans of Boston, Lincolnshire to you all at BBL we would like to thank you for your ongoing support in helping us both raise our profile and to continue to deliver our service to those in need of emotional support.
