Code 1.1.1.

1. Work undertaken since our last report on 31st December 2022 :-

Please visit our website www.thebostonstitchers.com

Our first Book - BOSTON 2020 (lockdown) has been shared with many local groups throughout the county.

The latest event where our book was on display was Saturday 1st April 2023 at CELEBRATE BOSTON, held at Boston Stump.

We are delighted that it has been so well received and we have had wonderful comments on the illustrations we have included and the excellence of the craftsmanship and expertise,

2. Community involvement.

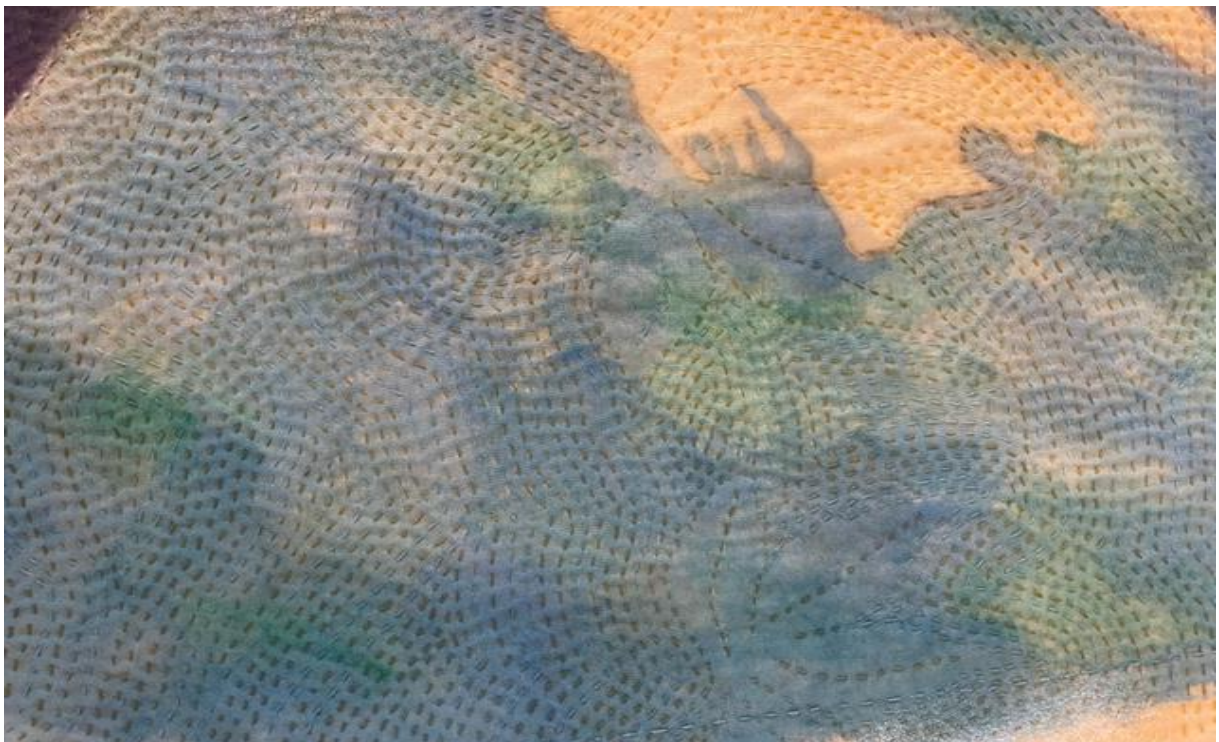

Our membership has now grown to over 40 and we have extended some of our meetings to take in an afternoon session.

We have maintained contact with all our supporters and have forged relationships with a variety of local groups and organisations.

We have been able to share information through Facebook, Boston More in Common and by direct contact over the phone. We also have a very colourful and inviting website. Everyone taking part has been recorded and will be recognized in the credits.

NEXT STEPS

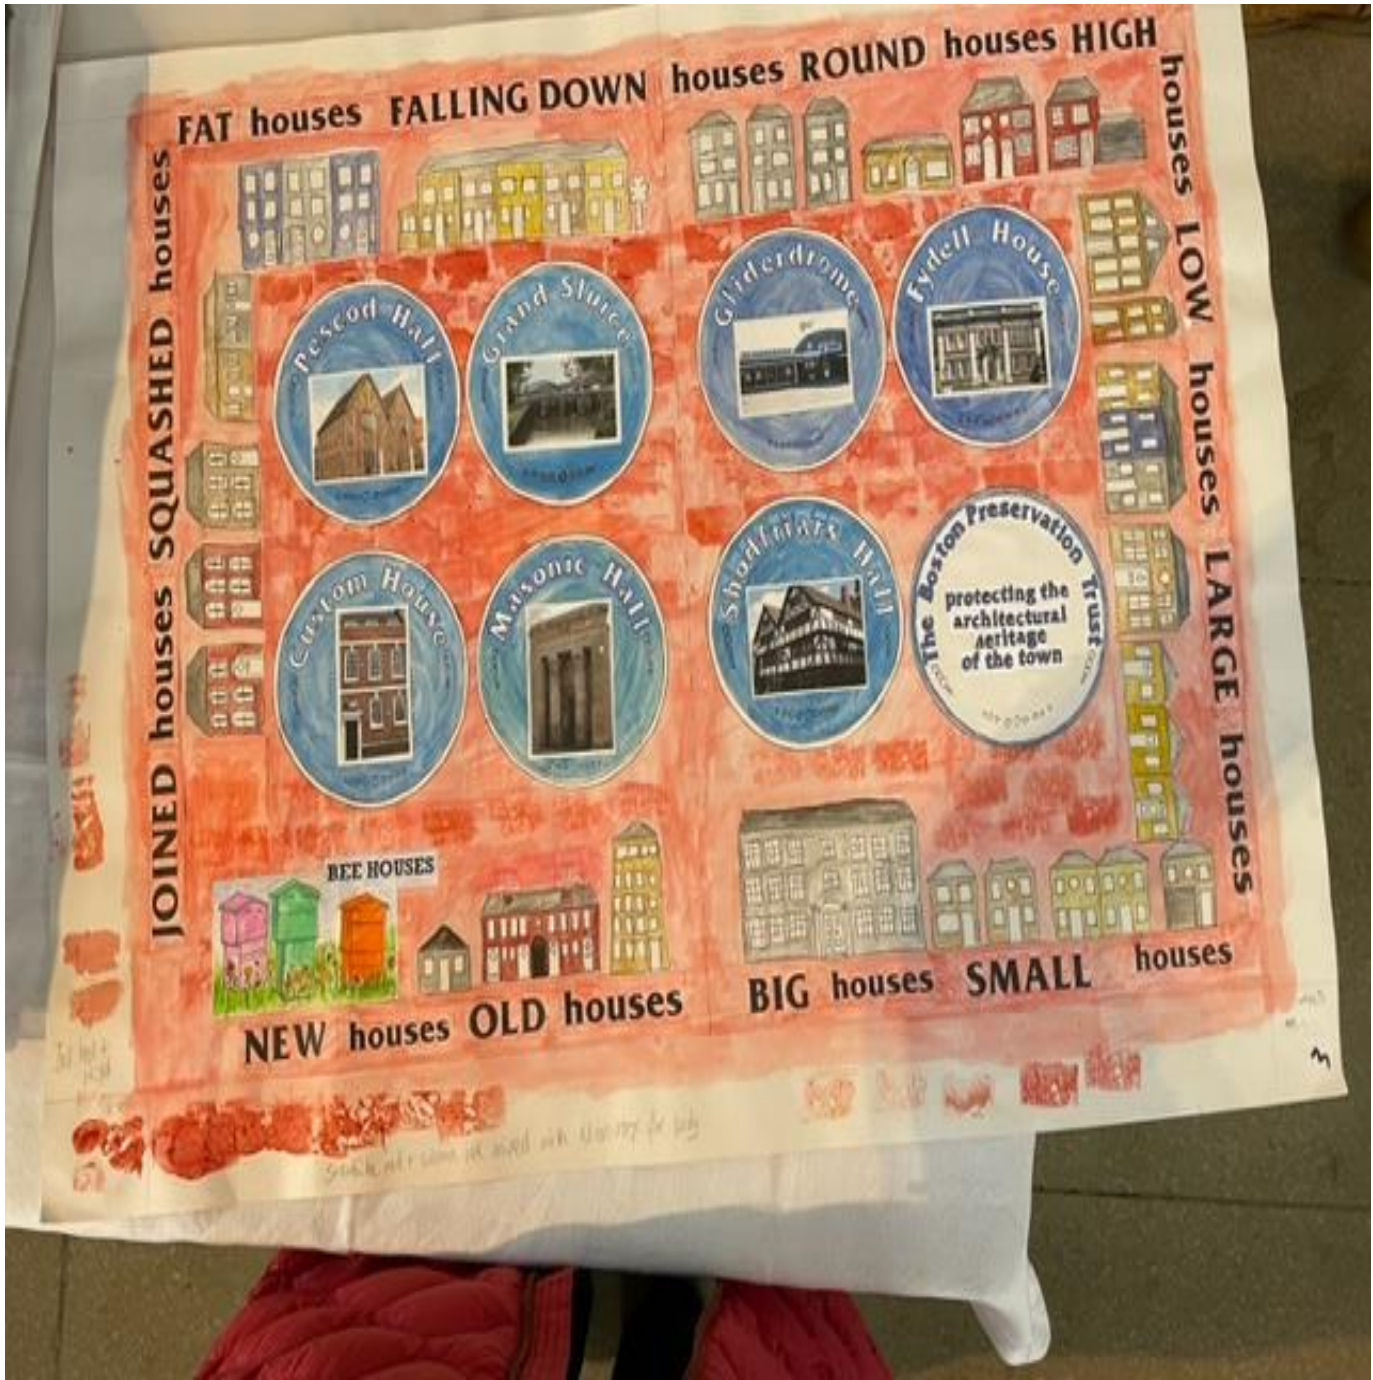

Our second book, entitled “BUILD” will be completed by this summer. There has been a huge amount of planning and preparation and we are now at the stage where pieces are being stitched ready to be assembled. The following illustrations will give a very good picture of the work currently being undertaken.

Painted background worked over with Kantha stitch.
