Our community are very excited that the Beach Area in Central Park will be installed again this year.

By installing the beach in Central Park gives everyone the opportunity to visit the beach whenever they like during the 6 weeks it will stay in situ.

The beach will be installed on the 17th July by George who has built the beach for us every year and has kindly stored the sleepers free of charge when not being used.

Two meetings have been held one in March and again in May.

Our last meeting will take place on 18th July.

We have 10 organisations attending showcasing who they are and what they bring to the community, all are bringing with them a beach related activity for the community to enjoy and are making a charge.

These organisations include:

BBL, Road Hog Bus, Library, Children's Centres, Geoff Moulder Leisure Centre, BRIC, Lincolnshire Housing Partnership, Age UK, CVS, Wildlife Trust and various NHS Departments.

Cost at present is:
