3.4.1 October Report Photographic Displays

Since my last report in October 2023, I have put on 1 new exhibition at Fydell House, 1960's Lincolnshire.

With your funding help I have now set up a brand new exhibition “It’s Behind You – the story of Pantomime”. This will run throughout January, and features various costumes from Panto shows and a photographic exhibition telling the story of Panto, and in particular Panto in Boston. On Saturday 13th January I am giving a presentation of video and film on the same subject, with proceeds going to Fydell House.

I have now confirmed further exhibitions at Fydell House for the next 18 months, including the Railways in February, Fairground Heritage in May (including a film presentation on the 18th May), Rundle archive photographs in September for the Heritage Open Days and Boston's Cinemas and Theatres in November.

These involved new photographs and displays, along with publicity materials for the events, which I have used the final BBL payment towards the costs.

I also have planned displays at a number of local events for the coming year.

Hopefully, this means your funding will have provided more long term displays and events for the next 2 or 3 years.

Thank you again for your support.
